W750

Ready to Roll

WORKHORSE™

Mount Up

The Workhorse W750

When it's time to get to work, the all-electric W750 is the answer. This capable truck comes ready to roll with a spacious cargo hold, hefty payload capacity, and impressive range.

It's the durable work vehicle that you can depend on.

Mighty for Miles

The 118 kWh battery pack provides the power you need to travel up to 150 miles* on a single charge.

Cargo Capable

With 750 cubic feet of storage space and optional shelving, the W750 always delivers.

A Fleet in Your Phone

Metron is an advanced telematics app, with real-time tracking and fleet monitoring from any device.

Vehicle Class	Class 4
Interior Volume	750 ft. ³
Payload Capacity	5,000 lbs.
GVWR	14,300
Range*	150 Miles
Fuel Economy	48 mpgE; 0.77 kWh/mile, 1.3 mi/kWh
Battery Capacity	118 kWh
Certification	CARB, FMVSS, CMVSS
Charging	Level 2, J1772 – 11 kW 11 Hours DCFC, CCS – 1, 61 kW 3-4 Hours Wireless DC – 60 kW 3-4 Hours

*While Workhorse trucks work hard and go a long way, driver habits, inclement weather, and other factors can limit range. Your results may vary.

The Future of Last-Mile Delivery

Engineered with fewer moving parts and durable EV components, Workhorse's line of dependable work trucks do more—with less mechanical maintenance. Powerful electric motors mean less noise, no emissions, and freedom from high fuel costs. Plus, utilize the Workhorse Metron app to receive route data, operational insights, and real-time geolocation that make your fleet more efficient than ever.

Workhorse doesn't make any old work trucks. Give them all you got, and then some.
